

**BPR**  
**Active List Initiative #7**

Revised 16 Jul 02

**Title:** Military Articles and Services List (MASL) Improvement

**Description of Initiative:** Improve, streamline and educate the Foreign Military Sales (FMS) community on the MASL.

**Required Policy Changes/Approach:** Potential revisions to FMS policies, particularly those resident in the Security Assistance Management Manual (SAMM, 5105.38-M). MASL team efforts will culminate in issuance of DSCA policy guidance.

**Approved Actions:** Project Team Meetings commenced in Sep 01. Meetings scheduled to resume in early CY 03.

**Responsible Champion:** DSCA Comptroller, Financial Management (Mr. David Rude)

**Anticipated Benefits:**

- A streamlined MASL to improve consistency in cataloging and classifying the articles and services transferred under the FMS program.
- An improved process for linking the MASL with associated codes and transactions to ensure proper and accurate accounting.
- An improved process for creating, validating, and deleting individual MASLs as circumstances warrant.
- A better educated FMS community.
